# Feedback valid throughout application

Tuesday, April 19, 2016   4:45 PM

1. 'Fileroom' is a single word. Its not 'File Room'.
2. The length of the line below the selected tab is different from design.

3. Font color needs to match exactly with the designs.

4. Need to show logged in user name along with icon in the persistent navigation.

5. Scrollbars throughout the application is not matching the suggested scroll bar design.

6. Modal sizes are different from designs.
7. Button sizes are different from designs.
